SOLICITORS

SPONSOR OUR SOLICITOR!

We are proud to announce that

Louise is running the 2008 London Marathon

in aid of Round Table Children's Wish Limited, a charity that grants wishes to children throughout Great Britain and Ireland who are aged up to 17 and have life threatening illnesses.

Louise & Lindsay warming up!

A dedicated jogger, Louise is donning her trainers at every opportunity - even during her lunch hour - to put in a good time and earn your support. Accompanied by her sister Lindsay (who has run before), this is Louise's first marathon and, she says, most probably her last!

So please would you dig deep and donate generously, either by downloading the sponsorship form and sending us your donation or by visiting Louise's fundraising page online at: www.justgiving.com/louisebroomfield

Thank you for your very kind support
